

**DATI/Rabbi Gbaba Tripartite Anniversary Organizing Committee on the Move: The Kargbos & Irene Gulley Lead!**

Members of the Organizing Committee of the DATI/Rabbi Gbaba Tripartite Anniversary are making moves to jumpstart the fundraiser for the construction of what may be the first school of the performing arts in Liberia. Among those who are making frantic efforts to raise funds for the much-needed DATI project are Mrs. Irene Roberts-Gulley who has made a pre-reservation of five seats for the event and Dr. Nyaquoi and Mrs. Kou Kargbo that submitted a list of twenty-eight invitees. Submission of invitees list is the first step for organizers who consented to serve on the organizing Committee. Additionally, Committee members must also adhere to the following procedures for the smooth operation of the project.

Recently, twenty-five patriotic Liberians signed up/consented to serve on the organizing committee to celebrate their national playwright and support a worthy cause they believe will benefit all Liberians and foreign nationals in Liberia and abroad. Invitees will be registered under the account of the Organizing Committee members who invited them to determine which Committee Member will raise the highest amount of funds for

2023 Gala and Fundraiser. The highest fundraiser will receive a certificate of appreciation.

In addition, Organizing Committee Members must provide the preferred contact information of invitees (e-mail and phone numbers) for follow-up correspondences and updates as the date of the event approaches, and to send out "Thank you" letters for attendance and donations after the event.
